

Sidewalk Replacement Grant Application

The Cathedral Area Preservation Association (CAPA) is offering an opportunity to CAPA members to assist with the costs associated with sidewalk replacement done as a part of the City of Joliet's 50/50 sidewalk program. CAPA has allocated \$3,000 to this program. Funding is dependent upon CAPA funds and is not guaranteed. Grants will be awarded on a first come first serve basis and will cover 50% of the resident's share of the costs (25% of the total cost of the work). Applications shall be submitted to grants@capajoliet.org by the last day of the calendar year.

Requirements:

- Must be current members of CAPA at the time of sidewalk petition **and** at the time of reimbursement
- Must first petition the city for the 50/50 sidewalk repair program
 - If placed on wait list, contact the CAPA Scholarship and Grant coordinator

Once project is accepted by the City, the CAPA Scholarship and Grant coordinator will confirm that the petitioner is a CAPA member. The coordinator will document the existing sidewalks. Once the work has been completed, the petitioner shall submit the final invoice received from the City to the coordinator. The coordinator will then document the final sidewalk and bring the invoice to the CAPA board for payment.
