

Angel Tree 2020

Cornerstone Services helps people with disabilities in Will and Kankakee Counties with a variety of options to help them live and work in the community.

This holiday season we are looking for **gifts for our Angel Tree**, so the individuals we serve and their families can have a merrier Christmas.

If you are interested in sponsoring either an individual or a family, please contact:

In Joliet/Will County: Call Missy at 815-774-3262

In the Kankakee area: Call Teena at 815-823-8431

Thank you for your generosity!
